Men's and Boys' Sweaters

Take Your Choice on Saturday, 97c November 19th, at Only - - - 97c

We have placed on sale for Saturday, Nov. 19, about 200 Men's and Boys' Sweaters in all wool and worsted yarns and in a very large range of shades, colors and mixed combinations, and sizes to fit, from the smallest boy to the largest man. As this has been a large Sweater season with us we were obliged to keep buying in large quantities in order to keep up with the demand, and at last we find ourselves overstocked with them. Too many kinds and too many broken up sizes. The prices range from \$1.25 and \$1.50 up to \$2.00, but in order to reduce the stock at once and to make a quick disposal of same and to discontinue certain styles, we put them on sale for our Saturday special to close them out at the low price of 97c each.

If you regard your health and value your money, now is your time, and you must not fail to lay in a supply of Sweaters for yourself and the boys at the price of two for one. See exhibition in our window and the rest in our store. Free to look and will cost you 97c to buy. If you want them, come early in the day.

NORTHFIELD.

The body of Mrs. Roger Donahue was brought here from Montpelier on the morning train Wednesday for burial. Services were held in the Catholic church at ten o'clock, the Rev. J. P. O'Neill officiating. Burial was in Calvary cemetery.

The Universalist church, which is undergoing extensive repairs, has been enclosed on the front so that the workmen can continue without being interrupted by the cold weather. The lower part of the church, which was formerly used as the town hall, when completed will be made into two stores, one will be used by Lane & Wood, furniture dealers, and one by a new drug firm.

The brick work on the new school building will be completed by the first of the week. The work has already begun for setting the boilers to heat the building.

Dr. George Nichols, who has been quite ill for the past two weeks, remains in about the same condition.

Mrs. Alice Mansfield, who has been unable to attend to her duties in the telephone office because of a severe attack of grip, is some better.

George E. Evans of Chicopee, Mass., is spending a few days in town.

The Thanksgiving recess at the university begins on Wednesday, November 23, and lasts until Monday night, November 28.

FROM THE ASHES

Baltimore Family's Experience Points a Moral to Residents of Barre.

The visitor to Baltimore today scarcely realizes that less than a year ago the city was almost destroyed by a memorable fire. A similar comparison might be made by George W. Nally, one of the leading citizens of Baltimore, as to the change in his own looks.

A short time ago, Mr. Nally, writing from his home address, 2213 Barclay street, says, "I have been troubled for years with catarrh and had resorted to all remedies that could be thought of. My wife was also afflicted with this terrible disease, but all the treatments we used were an absolute failure, until we tried Hyomei. It worked like a charm and has made a complete cure in both of our cases. There is no disagreeable stomach dosing in using Hyomei. We breathed it, and its fragrance, so clean, pure and bracing, killed all the catarrhal germs in the head, throat and lungs."

The experience of Mr. Nally and his wife certainly points a moral to all readers of The Times who are suffering from catarrh. It shows how they can be cured of this frightful disease, without dangerous stomach dosing. Rickert & Wells, the local agents for Hyomei, have so much faith in the treatment that they give their personal guarantee to refund the money in case it does not benefit. A complete outfit costs one dollar, the extra bottles are but fifty cents. Ask to see the strong guarantee under which Hyomei is sold.

Mock Trial at opera house tonight.

If you haven't yet bought your Overcoat you want it now. The handsomest, best made and most economical Overcoats are at the Union Clothing Store. We buy for two stores and the great quantities we buy and sell give us the smallest possible ratio of cost, and our low percentage of store expenses enables us to sell at a very small margin.

Of course you know well enough that no one can sell at cost and below and live, so when anyone claims to do that you just "put your tongue in your cheek" and laugh.

The reason why our store is nearly always full of customers is because it's so generally understood the best Clothes are found here and that our prices are all right.
